# Company Profile

Speedo tech Engineering are recognized note worthy manufacturer and supplier of board assortment of aluminum worm reducer, Worm Gear box Helical Gear Motor, Worm Gear Motor and Ac Induction motor. This Product are manufactured using high grade material and latest technology in conformity international standards. Furthers raw material inputs, we utilized in manufactured process are procured from reliable and certified vendor. Due to Consistence performance, Sturdy construction, Less maintenance, Technical advantage and longer service life, our offered gearbox are highly acknowledge by our client.

## WORM GEAR SPEED REDUCER

Aluminum worm Gear box which is known as Worm Speed Reducer. It is new Generation of product developed with advance technoloy in power transmitting sector.

<b>Size</b>	: Box30, 40, 50, 63, 75, 90, 110, 130
<b>Ratio</b>	: 7.5 to 100:1
<b>Torque</b>	: up to 200kgm
<b>Mounting</b>	: Universal Mounting
<b>Output Shaft</b>	: Hollow Ø 14mm to Ø 45mm

## NU WORM GEAR BOX

Worm Gear box which is known as Reduction Gearbox. We provide Worm Gear box in NU series in casting body with advance technoloy in power transmitting sector. W are also provide Hollow shaft gear box in NU series worm Gearbox ref to Customer requirement.

<b>Center Distance</b>	: 3" to 8"
<b>Ratio</b>	: 10:1 to 70:1
<b>Input Power</b>	: 0.5 Hp to 20 hp
<b>Mounting</b>	: Horizontal Mounting, Vertical upward or downward mounting

## WORM GEAR MOTOR

Keeping Mind the precise demand of Market, We offer, Worm Gear motor in Aluminum and casting body. These are recommended by customer, due to Light Weight, Higher strength, Easy mounting, low noise, effective price.

<b>Input Power</b>	: 0.25 Hp to 7.5 hp
<b>Center Distance</b>	: Up 30mm to 130 mm
<b>Ratio</b>	: 7.5 to 100:1
<b>Torque</b>	: up to 200kgm
<b>Mounting</b>	: Universal Mounting
<b>Output Shaft</b>	: Hollow Ø 14mm to Ø 45mm

## HELICAL GEAR MOTOR

Speedo Tech Engineering are manufacturing a high quality Helical gear motor using world class raw material and advanced technology. Our range of these motors is widely demanded by the clients for their noise-less operations, hassle free performance, easier maintenance, longer serving life and robust structures. Gear casing are manufactured from high grade cast iron and designed for maximum heat dissipation. Gear and Pinions are made from special hardening alloys steel and are specially Heat Treated.

**Power Rating** : 0.5 HP to 7.5 HP,  
**Output RPM** : 15 Rpm to 250 Rpm  
**Electric Motor** : 415 V, 50 Hz, 3 Phase AC supply  
**Type** : Foot mounted, Flange mounted, Inline Gear Box

## N SERIES HELICAL GEAR BOX

Speedo Tech Engineering is Leading manufacturer, supplier and exporter of Helical gearbox and Gear motor. This Gearbox are using in light duty application Helical gearbox available in Foot and Flange mounting. Gearbox is Suitable to mounting with Standard AC motor in B5 Construction. The product is offer low cost, Easy installation, Noise Less operation.

**Input Power** : 0.5 /1.0 /2.0/3.0 HP  
**Out put RPM** : 30 Rpm to 150 Rpm  
**Electric Motor** : 415 V, 50 Hz, 3 Phase AC supply

## DOUBLE REDUCTION GEAR BOX

Speedo Tech supply Double reduction Gear box to obtain higher ratio. We are provide gearbox as per customer requirement and specific application.

**Input Power** : 0.25 / 0.5 /1.0 /2.0  
**Out put RPM** : 1 Rpm to 15 Rpm  
**Ratio** : 100:1 to 1200:1
